

Aura Hair and Makeup Bridal Contract

At Aura Hair and Makeup, our work is our passion; and brides are our specialty. You can trust that with the help of our expert stylists your makeup and hair will be exactly what you want them to be, flawless.

When you decide to make Aura part of your special day, the first thing we will do is set up a consultation. During your consultation with your hair stylist and makeup artist, you'll have an opportunity to discuss what you are looking for and the details about your wedding day. Once your consultation is complete, we will then schedule a "trial run". During this appointment your stylist will style your hair and makeup as it will be done for the wedding. This appointment usually takes place about a month before the day of the event. We also recommend that you schedule your trial run for a day when you have a party or social event to attend. This way when the big day arrives, you can enjoy a stress free experience while being pampered like a princess as we help make you wedding day the way you always dreamed it would be, perfect!
